COLLAPSE

The only cheat that would get me up a wall like that would involve a winch so I'm going to have to give her a pass.

COLLAPSE

There are shoes that un-age and de-decrepit you?

Nobody told me that was an option!

What, cheating? Did I grow that tree there? Huh? Perfectly natural tree! And I was just trying to, you know, move it out of the way!

(Cool photo, dude.)

AAAGGGGHH! Grapes! Real grapes! GREEN ones!

Gawd, I'm just making it worse, aren't I?

Cheating? From the photo it looks to me like she's just giving the tree a friendly pat on the way past.

This looks like a
good idea.
